

## Shop Coffee Roasters Machine Technical Specification

Product Code	Coffeum Cr1
<b>Capacity</b>	1kg recommended - Max. 1,2 kg Drum Capacity
<b>Light Roasting Time</b>	9-12 minute
<b>Light Roasting Capacity kg/hr</b>	7,2 - 5kg
<b>Dark Roasting Time</b>	11-15 minute
<b>Dark Roasting Time kg/hr</b>	6 - 4kg
<b>Engine Power and Features</b>	Monophase Electric Three-Phase Motors Operate
	4pc Three Phase Motor
	50 / 60 Frequency (Hz) Compatible
	110-220-230-380-415 Voltage Compatible
	0,5kW/Hr Power Consumption
<b>Burner System</b>	37.800 btu/h ( Polidoro and Sit Brand )
<b>Number of Fans</b>	1pc Independent Cooling Fan
	1pc Independent Shell Separation and Hot Air Transmission Fan
<b>Heating System</b>	Thermal Transfer
<b>Control</b>	2pc Digital Temperature Control Systems
	Air Control System
	Gas Control System
<b>Standard Equipment</b>	Shell Storage
	Sample Observation Glass
	Sample Spoon
	Timer
	Audible Warning System
	Artisan and Cropster Automation Ready Installation Connection
	Simultaneous Roasting and Cooling (4 Engine Power)
Emergency Stop Button	
<b>Care</b>	Large Capacity Shell Storage, Cooling Area, Shell Collector Drawer Compartment Easy Maintenance and Cleaning
<b>Safety Standards and Certificates</b>	Excellent Thermal Insulation
	CE
	Gas Burning Devices / EU Machine Safety Regulation
<b>Fuel Type</b>	Naturel Gas /LPG / Propane / Electric
<b>Material</b>	304 Grade Stainless Steel and Chrome
<b>Electric Panel</b>	Siemens and Schineder Brand Electrical Installation
<b>Warranty</b>	2 years
<b>Exhaust Outlet Diameter</b>	130 mm
<b>Dimensions (W - D- H) (cm)</b>	80x109x130 cm
<b>Installation (W - D- H) (cm)</b>	180x209x155 cm
<b>Weight</b>	105kg
